The Honorable Steve Daines

Helena, MT 59601

In regards to the appointment of Mr. Kurt Alme as United States Attorney for the District of Montana

U.S. Senator Steve Daines:

It is a great honor to highly recommend Kurt Alme to the position of United States Attorney for the District of Montana. Kurt is uniquely qualified for this position. His experience, knowledge and respect for the rule of the law in Montana and the United States has vastly impressed me. I observed these qualities working very closely with Kurt when he was the Director of the Montana Department of Revenue.

Working collaboratively with Kurt on tax, policy, and revenue estimates from 2001 to 2004 we accomplished many effective policies for the State of Montana with his expertise. Not only has Kurt dedicated himself to serving our state and country but is a committed servant to his local community as the President of the Yellowstone Boys and Girls Ranch Foundation. I am excited for the opportunity that he has before him and I could not think of a better person to fill such an important position in Montana.

Thank you for taking my recommendation into consideration.

Sincerely,

Fred Thomas
Senate Majority Leader - Montana
