Dear Ms. Ruggles:

I am writing on behalf of the YouthBuild, FOA-ETA-19-04 grant application submitted by Career Training Institute (CTI).

If successful, funding will be used by CTI to continue the work of YouthBuild Helena, a comprehensive seven-month education and training program to assist young people in the Helena, Montana, area achieve academic and vocational success. The program is expected to benefit individuals from ages 16 to 24 years old who are high school drop outs, offenders, disabled, low income, homeless, in foster care, or have incarcerated parents.

CTI's YouthBuild Helena program intends to help youth excel in leadership, life skills, career development, and academics. I support YouthBuild Helena because it not only prepares young people for employment and educational opportunities, but also allows individuals to reach their full potential.

I trust you will give this grant proposal fair and thoughtful consideration.

Sincerely,

Steve Daines
United States Senator
