Room 320,
Washington DC, 20510

Attention: Senator Daines

Reference: Crow Revenue Act

Dear Senator Daines,

We sincerely appreciate all your office's efforts to provide "certainty for the Bull Mountains Mine in Musselshell County" by sponsoring this act to allow the Signal Peak mine to continue its operations over the next decade. As you are aware, the Coal Mine's continued operations is a significant revenue source for Musselshell County, as well as a primary source of employment for many Musselshell County residents. The mine is vital for maintaining Musselshell County's government services and continued economic growth. The mine's continued operation is crucial to allow Musselshell County time to transition from coal over the next decade.

We look forward to continue working with your office, in the hopes that Musselshell County's overall revenue from the Signal Peak mine is not reduced as a result of this act.

Sincerely,

Michael Turley- Commission Chairman

Robert Pancratz- Vice Chair
